GIN BAR

At Taypark House we believe when life gives you lemons, make a gin & tonic! What better way is there to relax, sit back and admire one of our proudest features — our gin collection!

With the Mansion's roots lying deep within Scottish history, we are particularly passionate about our huge range of Scottish gin, some of which are sourced only a stone's throw away in St Andrews and Fife. With a variety of complementing botanical tonics and juicy fruits, embrace our Scottish heritage with a gin!

Our bar team work hard with master distillers to know the perfect combination of tonic & garnish for each gin. If you are not sure what you fancy, just ask.
